

TODDLER & CHILD SEAT GUIDE

EFFECTIVE FROM 01 APRIL 2020 ONWARDS

Toddler Seat

Children aged between 6 months and 4 years (8-18kg) must travel in an approved toddler seat (forward facing child restraint with an in-built harness). An anchor point is required for these seats. Toddler seats cannot be fitted to the front passenger seat of any of our vehicles.

Child Seat

Children aged between 4 and 7 years old (14-26kg) must travel in an approved child seat (booster seat fastened with a standard diagonal sash seatbelt). Whilst it is legal (under certain circumstances) for a child in this category to sit in the front seat, Cruisin' Motorhomes does not recommend any child under 7 years (under 26kg) travels in the front passenger seat

Baby Seat

Cruisin' do not supply baby seats to children under 6 months of age. Customers who wish to travel with children under 6 months of age must provide their own. This seat must comply with current Australian standards and must be labelled with an Australian Standards sticker. An anchor point is required for these seats. Baby seats cannot be fitted to the front passenger seat of any of our vehicles.

Hire A Toddler/Child Seat Or Bring Your Own

Toddler and child seats can be hired from all Cruisin' Motorhome branches for AU\$35 per hire. Toddler and child seats are included in the Maximum Cover Package.

Toddler and child seats brought from overseas do not comply with the Australian standards. It is illegal to use them in Australia.

It is the responsibility of customers to fit the seats in the vehicle

Where Can Children Sit?

Front passenger seats and rear facing passenger seats in all vehicles are not fitted with anchor points and cannot accommodate children under 4 years in any case

If all appropriate rear seats are being used by children under 7 years or the vehicle is not fitted with rear seats, children aged between 4 and 7 may travel in the front passenger seat. **Cruisin' Motorhomes does not recommend any child under 7 years travels in the front passenger seat.**

THE DINING TABLE MUST BE PACKED AWAY WHEN DRIVING
