Late Return

You will continue to be responsible for the rental of the Vehicle until the Vehicle is returned to the Return Location. Failure to obtain an authorisation for a rental extension will result in a late fee of AU$150 per day in addition to the daily rental rate plus the daily rate charge applicable to your Liability Reduction Option for each day until the Vehicle is returned. The daily rental rate charged will be the rate applicable on the day of extension which may differ from the original rate booked. These charges will be applied to the Customer's credit card on a daily basis until the Vehicle is returned.

Early Bird Discounts

The Early Brid Discount of 5% applies to rentals that commence 125 days after the date of booking. The discount applies only to the daily rental rate and can be combined with Long Term Discount. No other discounts can be combined.

Long Term Discounts

- 21+ days: 10% off daily rental rate.
- Only applies to the daily rental rate
- The long term discount can be combined with the Early Bird Discount

Multiple Rentals

Consecutive Cruisin and GoCheap rentals can be combined to qualify for a Long Term Discount. Rentals can be combined to qualify if travel is within a 3 month period. If a drop off of a vehicle and pick up of a new vehicle occur on the same day then a day each will be charged per respective vehicle. Multiple rentals are treated as separate rentals under the one way fee and minimum rental period conditions.

Rental Extensions

If you wish to extend the rental whilst on hire, you must first obtain authorisation from Cruisin by calling 1300 664 485 or +61 3 6248 4789. Any extension will be charged at the current rate that is valid at the time of the change plus the daily rate charge applicable to your chosen Liability Reduction Option. Rental extension is subject to fleet availability. The extra cost of an extended rental must be paid by credit card on confirmation of the rental extension. Failure to obtain authorisation will result in the renter being charged at the Late Return rate outlined above.

Booking Amendments

If you make changes to your booking the booking will be calculated by using either the original rate for the vehicle or the current rate that is available at the time of the booking change depending on whichever rate is higher Cruisin' considers the following as booking amendments

- Change of branch location for vehicle pick up or drop off
- Change of rental date for vehicle pick up or drop off
- Change of vehicle category

If an amendment is made to the rental dates within 14 days of collection, no refund will be made if the length of hire is shortened (that is; the rental will be charged at the number of days originally booked). A relocation fee may apply if the collection or return location is amended within 14 days of vehicle pickup or if notification occurs during the hire. Booking Amendments are subject to fleet availability. If your booking travel dates are amended within the cancellation fee period to be outside of the cancellation fee period and is subsequently cancelled, the cancellation fee for the original booking will apply.

Group Bookings

All booking requests of 3 or more vehicles for the same travel dates are considered a group booking (even if the vehicles are booked on different dates but travelling together) and require approval by the Cruisin Reservation Team by emailing reservations@cruisinmotorhomes.com.au. Group bookings are subject to different payment and cancellation terms. If a group booking or part of a group booking is cancelled the following cancellation fees apply. If cancelled 29+ days prior to pickup No Fee. If cancelled 28 days or less prior to pickup 100% of the total rental.
